EXPERIENCE

**Jun 2017 – present, Program Manager,
Vienna University of Business and Economics**

I design, implement and manage stakeholders an extra-curricular entrepreneurship program. I lecture on creativity, design thinking and entrepreneurship.

Jan 2014 – present, Project Founder & Freelancer, The Creativity Gym

I design and organize various formats, tools and services to explore, exercise and celebrate creativity (www.creativitygym.at).

I freelanced for an EU-wide education association, where I designed websites, curricula for design thinking classes, and an educational card game on SDGs. I also held trainings on design thinking and entrepreneurships for teachers and students.

Oct 2016 – Dec 2017, Learning Designer, LearnChamp GmbH

I developed learning concepts UX design for eLearning modules.

May 2015 – May 2016, Co-Founder, "Vienna Skills Smiths"

I co-founded a Vienna-based learning start-up for affordable, community-led skills workshops.

Sep 2014 – Feb 2015, Co-Founder, "ShiftYard"

I co-founded a start-up consulting established companies on start-up and design methods.

May 2013 – Jul 2014, HR Consultant, Siemens AG Austria

I was mainly responsible for the annual performance management process as well as designing training offers and ACs.

Jun 2012 – Jan 2013, Project Manager, VIEconsult GmbH

I managed 360° leadership feedback projects for multinational client companies.

Feb 2010 – May 2012, HR employee, later Team Lead HR, Austrian Integration Fund

I was responsible for staff training and development opportunities, the implementation of HR processes, recruiting and administration. Later I led a small team of three.
